INSERT PLAN

Ensure:

- Plan must be on OS Mastermap base layer
- Scale of the plan must be appropriate to the scale of the OS map.
- A scale and the orientation of north must be displayed on the plan.
- The plan must contain sufficient surrounding detail to enable the position of the subjects to be fixed with accuracy (using a larger scale 'insert' map for context is useful)
- The boundaries of the subjects must be clearly shown, preferably with measurements.
- References on the plan must be clearly identifiable
